Claims 81, 118, 120, 150, 157 and 173 are cancelled without prejudice or disclaimer. Claims 81, 118 and 120 are directed to non-elected subject matter. Claim 157 is duplicative of claim 1. Applicant reserves to the right to file divisional/continuation applications to the subject matter of any cancelled claims or subject matter disclosed in the application. Claim 174, which finds basis in claim 81, is added.

The withdrawn claims are retained pending allowance of a generic claim. Claims 1, 2, 10, 158, 163 and 164 are amended for clarity. Claim 1 is amended to render it clear that X is activated to effect covalent binding to permit Y to reach equilibrium before capture. Claim 158 is amended to properly depend from claim 1.

Response to Office Communication Concerning Non-Compliant Amendment

This response is submitted in response to the Notice of Non-Compliant Amendment, mailed April 14, 2009. In the response mailed May 15, 2008, claim 2 was amended, but was not accompanied by the correct claim status identifier. In addition, claim 146 was inadvertently not separated from claim 145. Responsive to the Notice of Non-Compliant amendment, a new Listing of Claims is provided herewith that includes the correct claim status identifier for amended claim 2 and lists claim 146 separate from claim 145.

In reviewing the claims, a few inadvertent typographical errors were discovered in claims 159, 172 and 174. To advance prosecution, in the Listing of Claims provided herewith, claim 159 is dependent on claim 158, claim 172 identifies changes made to the text of the claim compared to the immediate previous version and new claim 174 does not contain text in strikethrough or underlining. No new matter is added. The response, mailed May 15, 2008, to the Non-Final Office Action, mailed November 15, 2007, is incorporated by reference herein.
